

Youth Golf in Greene County

The William A. Gressick program started at Rainbow Country Club under Walt Birmann in 1984 and celebrates its 26th anniversary this year. The focus is on youth development and fun. This year we are offering SNAG, a modified golf program for golfers 5 to 8 years old and tournaments. Our program is also used as a qualifier to determine those youth who will represent the Catskill Elks Lodge #1341 in their state-wide youth golf tournament. Our year ends with an award ceremony and picnic.

Tech Valley Youth Golf brings the character-building game of golf to youth throughout Tech Valley, provides a forum to meet, greet and compete in a fair way with other youth with similar positive interests, builds math and science skills and explores other academic-related demonstrations of golf and in the beginning offers golf lessons and, if needed, golf club sets to the 19-county Tech Valley youth, ages 7 to 17.

Cost: \$25 plus clubs if needed (\$10, \$20 or \$30)

\$10 for SNAG. See registration form for more info.

Multiple sibling discounts and scholarships are available for Greene County youth

Out of county residents -call for a fee schedule.

Registration forms can be obtained by calling the Greene County Youth Bureau at 518-719-3245
